

ASX RELEASE (22 NOVEMBER 2018)

## Change of Name to THC Global Group Limited

**THC Global Group Limited** (THC Global or the Company) (ASX:THC) is pleased to advise that the Company's name has changed to **THC Global Group Limited**, from The Hydroponics Company Limited.

The ASX code "THC" remains unchanged.

The change of the Company name was approved by shareholders at the Extraordinary General Meeting held on 15 November.

Shareholders supported the directors when considering the new name, which better reflects the strategic developments in the business, the importance of advancing established global operations and international partnerships and recognises the significant value **THC Global** is now creating and into the future, across both medicinal and recreational cannabis markets.

**THC Global** believes the new name also captures the growth objectives and direction for the Company as a leading medicinal cannabis business with tier one growing and manufacturing capacity in Australia and ability to supply and expand internationally.

**THC Global** will continue to expand its Vancouver-based revenue generating hydroponics division (Crystal Mountain), which sells equipment and growing mediums, while accelerating the build out of its medicinal cannabis growing and manufacturing facilities under its 'Farm to Pharma' pharmaceutical model.
